Dear Ms Dennis,

I am writing to respond to your letter dated June 5, 2017, in which you notified me that I had been named in a complaint before the Federal Election Commission.

I am personal friends with Deseree Loudermilk since the time that our husbands served in the Georgia State Senate together. When Barry decided to run for US Congress, I gave him a contribution from my personal funds because I felt that he was the best candidate. Decisions as to who I support are solely mine and are certainly made without any considerations of a quid pro quo.

Sincerely,

Suzanne Hudgens
